

Malmesbury Singers  
Spring Term 2017  
Rehearsal Schedule  
Version 2 17th Jan

I have indicated where we are just covering part of a chorus and when I will expect that we can sing it all  
Where the schedule indicates all of a chorus I'll aim to do that but we may need to focus on specific sections  
If I find we have time I might cover other things in any week  
We will perform Locus Iste from memory

Grey cells with ~~strike through text~~ indicate where I've changed from the original plan

Based on this schedule it's reasonable to expect that by 20th Feb everyone will be able to sing any of the programme, on demand if asked!
